

11. **A Second Tour Of Galilee** (Lk 8:1) “*He went throughout every _____ and _____, _____ and showing the _____ of the _____ of _____: and the _____ were with him.*” (V2) Certain _____ were healed of _____ and _____. Seven _____ were cast out of _____. Jesus healed a _____ who was _____ and _____ (Mt 12:22). In (V24) the _____ accused him of doing it by the power of _____. (Mk 3:22ff) Jesus replied: “*How can _____ cast out _____?*”
12. **Blasphemy Against The Holy Spirit** (Mk 3:29) “*But he that shall blaspheme _____ the _____ hath _____ forgiveness, but is in danger of _____ damnation.*” This is a plain statement. If you do it – you are lost. Period! (Mt 12:31) “*All manner of _____ and _____ shall be _____ unto men: but _____ against the _____ shall _____ forgiven unto men.*” This is very plain. Do it and you “*shall not*” be forgiven. Period! After years of study it seems to us that this sin (commonly referred to as The Unpardonable Sin) could only occur during the miraculous age. Most say it occurs when one reviles (blasphemes) the HS inspired Word. This explanation has never rung true. If true, all the repentance and baptizing (for alien sinners), and all the repentance and praying (by erring Christians) is to no avail. We recommend TPBS Lesson [#195](#), The Un-Pardon-Able Sin. When has God refused any truly penitent sinner?
13. **The Parables Of Jesus** He taught the parable of The Soils (ie: The Sower). He was questioned about it (Mk 4:10): “*And when he was _____, they that were about him _____ asked of him the parable.*” His reply was in (2) parts: (a) “*Unto you it is given _____ the _____ of the kingdom of God*” (b) “*but unto _____ that _____, all these things are done in _____.*” Parables both conceal and reveal; physical things represent eternal things. Jesus sometimes gave the interpretation. Serious Bible students today understand the parables.
14. **More On The Parables** Not all parables were spoken publicly (Mt 13:36). The disciples (V51) said they understood. Jesus made a profound statement (V52): “*Therefore every _____ which is _____ unto the kingdom of heaven _____ unto a man that is an _____, which bringeth forth out of his _____ things _____ and _____.*” They learned (a) from his presence, (b) through the insights provided, and (c) by future revelations of the Holy Spirit.
15. **Healing The Demoniac** Jesus healed the Gadarene demoniac after a stormy crossing of the lake during which he calmed the sea. How many does Matthew mention (V28)? _____ Mark (5:2-3)? _____ Luke (8:27)? _____ What was this man wearing? _____ What was his emotional state? _____ After the healing the man was found (Lk 8:35) “*sitting at the _____ of Jesus, _____, and in his _____ mind.*” Do people in their “right minds” go naked? _____
16. **The Raising Of Jairus’ Daughter** How did Jesus learn of her condition (Mt 9:18)? _____ What was her age (Lk 8)? _____ How many siblings did she have? _____ Who was present when Jesus raised the dead girl? _____
17. **A Third Tour – Separating The Apostles To Preach** (Mk 6:7) “*And he called unto him _____, and began to send them forth by _____ and _____; and gave them _____ over unclean spirits.*” They preached (V12) _____.
18. **John The Baptist Murdered** Herodias was unlawfully married to Herod Antipas. Matthew stresses why this union was so repugnant. (Mt 14:3) “*For _____ had laid hold on _____, and bound him, and put him _____ for Herodias’ sake, his brother _____ wife.*” John reproved Herod: “*It is not lawful for thee to have her.*” (See Lev 18:16-24; 20:21) Because of Herodias’ hatred for John, Herod (14:10) “*sent, and _____ John in the _____.*”
19. **After The Baptist’s Death** John (who baptized) was now dead. (Mt 14:12) “*His disciples came, and took up _____, and _____ it, and _____ and _____ Jesus.*” (V13) “*When Jesus _____, he departed thence by ship into a _____ place _____.*”
