

8. **Is Homosexuality Ever Right?** NO! The Bible condemns it in any shape, form, or fashion. We recommend that you carefully study TPBS Lesson #73, What The Bible Says About Homosexuality. Paul condemned it (Rom 1) in no uncertain language. (V26) *“For this cause God gave them up unto _____: for even their women did change the natural use into that which is _____.”* Natural Law shows that Lesbianism is vile and immoral. (V27) *“And likewise also the men, leaving the _____ of the _____, burned in their lust one toward another; _____ with _____ working that which is unseemly.”* “Unseemly” means *shameful*.
9. **The “Gay” Agenda Is Debauchery** Debauchery means extreme indulgence in sensuality. Sexual contact between members of the same sex is rank fornication. How can anyone professing to be a child of God have one ounce of sympathy for the “Gay” movement? Paul writes: (V32) *“They which _____ such things are worthy of _____.”* He adds: *“Not only _____, but have _____ in them that _____.”*
10. **A Few Days Ago – On Every Major News Network** Every TV set that was tuned to the News saw repeated shots of two beautiful female Hollywood stars passionately, or so it appeared, kissing each other – mouth to mouth, lips to lips. Why is filth like this being shown over and over on the news programs? Is it news? Is it the propagation of the “godless agenda” blanketed in the camouflage of First Amendment Rights as constitutional “free speech”? Why is not every child of God in the land outraged? Why do Christians think they can, with impunity from Almighty God, elect political candidates who sanction abortion and homosexuality? (Lam 1:12) *“Is it _____, all ye that pass by?”*
11. **Legitimizing Same-Sex-Marriages** Anything can be enacted into law, even in a democracy, if (a) enough people support it and vote for it, or (b) if the “good people” are so lethargic (ie: sluggish and indifferent) that they won’t bother to vote or speak out. The Laodiceans were condemned by Jesus for their lethargy: (Rev 3:16) *“Because thou art _____, and neither _____ nor _____, I will spue thee out of my mouth.”* Will the USA eventually pass a law legitimizing “same-sex-marriages”? We urge all Bible believers to “awaken” and get rid of your prejudiced political convictions – and begin acting like a true child of God. SIN is always SIN and cannot be endorsed in any way, either actively or passively.
12. **Removing All Religious Items From Publicly Funded Locations** Chief Justice Moore of the Alabama Supreme Court refused to move the monument depicting the Ten Commandments from the courthouse. He was relieved of duty and the monument removed. Why? A higher, liberal ruling so decreed. Why did this happen? Answer: Atheistic protesters. We recommend that you carefully study TPBS Lesson #224, The Different Faces of Atheism. Did having this monument in the Montgomery, Alabama courthouse offend you? _____ Why not?
13. **Do Not Become Disheartened** Jeremiah became so depressed with the utter wickedness and ungodliness of his day that he said (Jer 20:9), *“I will not _____ of him, _____ any more in his name.”* We have great empathy for his feelings but know they were wrong. The verse continues: *“But his _____ was in mine heart as a _____ shut up in my bones, and I was _____ with forbearing, and I _____.”* He couldn’t disobey God and adopt a passive role. Neither can you and I, that is, if we want to go to heaven. We must “sow the seed” (Lk 8:5-15), knowing that most of them will never germinate. True Christians are not passive doormats.
14. **Summation** Excuses are plentiful! Our society is rapidly adapting to “godless socialism.” You may say, “But what can I do about it?” That reflects a negative attitude. We have no record that Jeremiah ever made converts, but he was a great man of God whose conviction wouldn’t allow him to remain passive. Much is at stake: namely your own souls those of your children, and your children’s children. We repeat Jeremiah’s question: *“Is it nothing to you, all ye that pass by?”*
